

Detail A:

Ø 1/16" Slip-fit holes for dowels. Drilled to 3/16" depth. (625 places, total)

Dowels: 1/16" diameter, stainless steel  
Dowel Length: 1/4"  
(625 pieces total)

B:  
Ø .266" Through Hole  
Ø .450" Counter Bore, .4" deep  
(6 places total)

C:  
.375" Deep  
Use most convenient bit  
Tolerances for this detail: +/- .02"

D:  
Ø Counterbored mounting hole, tapped for MB screw  
Through side of part, into pocket C. .187" deep from surface of part.  
(2 places total)

Part Name: Slide Platter  
Revision: 4  
Revision Date: 2/28/98
